Dear Parishioners,

Thank you for saying “Yes” to Jesus, and recommitting to becoming a better Steward of your Time and Talent. I am pleased to announce that we had over 450 people come together and take part in this journey of Stewardship!

Now comes the exciting part of developing your gifts within the ministry you have chosen so that we may bear fruit to glorify God. Regardless of which ministry you decided to support with your time and talent, be assured that you will touch someone’s life and demonstrate your love to your fellow brother and sister in Christ.

We can always rely on Jesus’ words of wisdom that remind us of how important we are in His will, and how He commands us to demonstrate our love for each other through our actions.

“You did not choose Me but I chose you, and appointed you that you would go and bear fruit, and that your fruit would remain, so that whatever you ask of the Father in My name He may give to you. This I command you, that you love one another.” John 15:16-17

If you are currently volunteering in a ministry, thank you for your recommitment and for all you do for the parish and your community. If you are a new volunteer, you should have been contacted by someone that can give you more information to get involved in the ministry that you chose. For some reason if you have not been contacted after signing up, I ask that you call the church office or contact the ministry leader listed on the brochure, so that we may correct this oversight.

I am certain by serving with your time and talent you will develop a stronger relationship with this parish community, and most importantly with God.

Once again, I thank you for joining me on this Stewardship journey so we can serve the Lord with all our heart.

Sincerely yours in Christ,
Msgr. Louis F. Kihneman, III
